1 Peter 2:13-20

prayer

- Lord, may we be faithful in telling others about the truth of the Scriptures and Your great love.
- May we proclaim Your excellencies to the world!
- Thank You that the message we proclaim is a message we have received ourselves.
- Let us see our time on this earth as a temporary time which You have given to us to use for Your glory.

We praise the Lord for those being baptised this morning. We pray the Lord's richest blessing as you serve Christ.

Voice of the Martyrs

Many of our brothers and sisters across the globe are experiencing severe persecution. VoTM spotlights some of their suffering, asking that we pray for them as God's Word asks us to do.

Their website, vomcanada.com/ca gives up-to-date information about ongoing situations to allow us to pray more specifically. One of those stories tells of pastors in China who were illegally arrested in early 2020; two remain in prison and recently their wives were put in detention centres for 15 days. Their only crime is continuing to spread the Good News of the Gospel in a country where it is not tolerated.

The Chinese Communist Party is intensifying its methods to brainwash Christians in "transformation facilities" where believers are detained and subjected to horrific conditions and abuses in an effort to turn them against Christ, and espouse the values of the CCP. There are instances where believers' children are removed from them and put in these "facilities". Please pray for our brothers and sisters to stand firm, even against such tyrannical oppression.
