Praise the Lord for His Example on the Cross!

- Lord, may we understand that You died for *our* sins.
- We praise You for knowing such suffering as a Man and as the Son of God.
- Give us the desire to follow Your example of spiritual depth, self-control, and confidence in the Heavenly Father.
- Lord, we take comfort in the fact that You care for our eternal souls.

Missionary focus of the Week

Arthur & Dorcas Taylor
serving the sailors at
the Welland Canal

Arthur & Dorcas's most recent "Prayer & Praise" letter is posted on the missions board. They are rejoicing that Arthur has opportunity to share the Gospel at the graveside service of a woman who came to the Lord late in life through Arthur's witness, and has requested that he share her testimony to her family. They ask for prayer for her seven children and six step-children and for all her grandchildren, that God would open their ears to the message of salvation when Arthur proclaims it.

Because of the Elim family's generous giving, we are able to give an extra gift of \$2000 to the Taylors this month to help with the increased costs of their ministry.

Fall Women's Bible Study in 1 Corinthians
Tuesday Mornings or Evenings

New Sunday Evening Study
Beginning September 25th

In the Beginning: A Study of Genesis 1-11

A plan existed in the mind of God much earlier than the first chapters of Genesis. For the Father, the Son, and the Holy Spirit existed in eternity past. Yet, in the early verses of Genesis 1, His plan is set in motion! Come and join us for this Sunday evening series beginning September 25th, as we discover the truth of and the principles from Genesis 1-11. A 6-day creation, a literal Adam and Eve, that men and women lived and died as recorded, that Methuselah lived 969 years, that the flood was universal, that there was some kind of relationship between men and angels, and that the languages of the world were confused at the Tower of Babel. God has told us things about Himself and His creation that we would have never known if it were not for these treasured chapters!

"Remember the former things long past, For I am God, and there is no other; I am God, and there is no one like Me, Declaring the end from the beginning, And from ancient times things which have not been done, Saying, 'My counsel will be established, And I will accomplish all My good pleasure.'"
 Isaiah 46:9-10 (LSB)

Book Review

The New Answers Book 1-4 by Ken Ham

One can either take the Bible as the basis for scientific truth or use the ever-changing evolutionary assumptions as the foundation for your biblical and scientific knowledge. Ham wants to provide families and individuals with the proof they need to use the bible as their base by providing the answers to questions raised by the media's wholesale acceptance of evolution. Unafraid to take on the tough questions, he disproves notions of millions of years, gap theory, dinosaurs turning into birds, and a local flood. Moreover, they give the basic facts behind the Ice Age, distant starlight, carbon-14 and radiometric dating techniques, and the supposed proofs for evolution.
