- May we be willing to be moulded by the work of the Spirit, so that we would not hinder the Lord's work in our homes.
- Give us as husbands a deeper relationship with Christ, so that we would better understand our wives.
- May our homes be filled with the fruits of the Spirit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.
- Give us courage as husbands to be the spiritual leaders in our homes so that we would take the responsibility of discipline and spiritual teaching.

### Missionary focus of the Week

**Samaritan's Purse  
Christmas Giving**

It's that time of year again when some mission organizations make it easy for us to send gifts to children in need around the world.

Samaritan's Purse has many options for us to give, including the shoeboxes which are available in the lobby today, to fill and return by **Sunday, November 13**. Or you can pack a shoebox on line for a donation of \$40.

There are many other ways to donate to children living in poverty, including sending resources to advance the Gospel, providing clean drinking water, health care, and relief to victims of disasters (most recently to Atlantic Canada). Check out [Ways to Give through Samaritan's Purse](#).

1 Peter 3:8-12

When my children hear godliness out of my mouth and they see wickedness in my life, then I point them to heaven and I lead them to hell.

Alistair Begg

The whole duty of the Christian can be summed up in this: feel, think, and act in a way that will make God look as great as he really is.

Tonight

In the Beginning: A Study of Genesis 1-11

A plan existed in the mind of God much earlier than the first chapters of Genesis. For the Father, the Son, and the Holy Spirit existed in eternity past. Yet, in the early verses of Genesis 1, His plan is set in motion! Come and join us for this Sunday evening series as we discover the truth of and the principles from Genesis 1-11.

Book Review

The Attributes of God by Arthur Pink  
The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of Arthur W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, *The Attributes of God* also has enough depth and meat to satisfy the more experienced reader.

It is that time of the year again
