

- Lord, may we instill such character qualities in our lives as like-mindedness, sympathy, brotherly, tender-heartedness, and humbleness, knowing that You have commanded these things for Your children (1 Pet 3:8).
- May we put the right feelings behind the right actions, so that we may be a blessing to others (1 Pet 3:9).
- Therefore, we repent of wrong feelings, and we come to Christ, asking Him to help us (1 Pet 3:10-12).

Mission Focus

Missionary focus of the Week

**Richard & Marina Haverkamp
Serving the Belgian People from Elmira**

Both Richard & Marina are under a lot of stress as Richard has recently had surgery to repair an aneurysm. In order to have the surgery and be able to recuperate, Marina had to be placed in a long-term care home. This has been extremely difficult for both of them as Marina's dementia has made the transition especially hard. Richard feels the stress of having to leave her there, knowing she is unhappy. They ask for prayer for renewed strength and say that they are "still rejoicing in Him."

Recently, a gift of \$1000 was sent to the Haverkamps through MSC and we received a warm thank you letter, which also outlines more details of Richard's recent surgery and Marina's move to LTC. The letter is posted on the missions' board.

Tonight

In the Beginning: A Study of Genesis 1-11

A plan existed in the mind of God much earlier than the first chapters of Genesis. For the Father, the Son, and the Holy Spirit existed in eternity past. Yet, in the early verses of Genesis 1, His plan is set in motion! Come and join us for this Sunday evening series as we discover the truth of and the principles from Genesis 1-11.

Book Review

The Holiness of God by R.C. Sproul

Central to God's character is the quality of holiness. Only as we encounter God in His holiness is it possible for us to see ourselves as we really are. The view of God presented in Isaiah 6:1-4 leaves an individual with a deep sense of awe at the greatness of His majesty. To be indifferent is impossible for the Christian when confronted by the holiness of God. The practical life of the Christian flows from the vision of the God of holiness. R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.
