### Missionary focus of the Week

**Compassion**  
**Abdil in Bolivia**  
**Miriam in Burkina Faso**

Compassion has worked hard over the past few years to support children in the program, despite huge obstacles to being able to have them participate in the Compassion programs. We are grateful to have been able to stay in touch with both Abdil and Miriam.

This morning we will hear a sample of their letters to us, to remind us that they need our prayers and that the monthly support we send is invaluable to them.

In addition to their monthly support, Elim sends annual birthday, Christmas and family gifts to allow them to purchase items they otherwise could not afford. Our Sunday-school aged children have opportunity during their class time to contribute financially to Abdil & Mariam's support if they are able.

A meek spirit gives no trouble willingly to any: a quiet spirit bears all wrongs without being troubled.

John Wesley

### In the Beginning: A Study of Genesis 1-11

A plan existed in the mind of God much earlier than the first chapters of Genesis. For the Father, the Son, and the Holy Spirit existed in eternity past. Yet, in the early verses of Genesis 1, His plan is set in motion! Come and join us for this Sunday evening series beginning September 25<sup>th</sup>, as we discover the truth of and the principles from Genesis 1-11. A 6-day creation, a literal Adam and Eve, that men and women lived and died as recorded, that Methuselah lived 969 years, that the flood was universal, that there was some kind of relationship between men and angels, and that the languages of the world were confused at the Tower of Babel. God has told us things about Himself and His creation that we would have never known if it were not for these treasured chapters!

*"Remember the former things long past, For I am God, and there is no other; I am God, and there is no one like Me, Declaring the end from the beginning, And from ancient times things which have not been done, Saying, 'My counsel will be established, And I will accomplish all My good pleasure.'"*  
Isaiah 46:9-10 (LSB)

### Book Review

The Rise and Triumph of the Modern Self  
by Carl R. Trueman

This book tours through the past philosophies and teachings to bring clarity to the present and give guidance to the future as Christians navigate the culture in humanity's ever-changing quest for identity. Trueman traces the historical roots of many hot button issues such as transgenderism and homosexuality, and offering thoughtful biblical analysis as he uncovers the profound impact of the sexual revolution on modern human identity. It is a very significant analysis of the western culture over the past fifty years.
