Lord, in these difficult days, may we:

- Persevere through trials and learn from Your hand of discipline
- "Before I was afflicted, I went astray, but now I keep Your word" (Ps 119:67)
- Be compassionated for those who are outside of Christ
- Deepen our faith that we would trust You, even in areas in which we do not know or understand Your will for us

Mission Focus

Mission Opportunity for the Week Focus on The Rock on Campus

Recently, a gift of \$2000 was sent to The Rock on Campus, to provide Doug Thompson with some funds to use to purchase Bible study supplies and other items to support his ministry at Lambton College in Sarnia.

We've received an email from him, letting us know of an opportunity to open our homes to an international student. The Rock on Campus will match up students who would otherwise be alone with host families to share in their holiday traditions. This could mean you'd have them over to decorate the tree, do some baking, for a meal, or possibly to stay for a few days.

If you're interested in accessing the link to sign up for this ministry, please talk to Cheryl T and she'll get you the information you need!

Library News

Plan a Christmas movie night with a title or two from the library emphasizing the true meaning of the season.

Christmas Grace

This movie tells the story of two rival you store owners. As the story unfolds it becomes very clear God is at work in these men's lives in ways neither of them could have imagined

The Last Straw

With the children's constant bickering the MacDonald house is lacking in the true spirit of Christmas. Mom then remembers an old tradition that causes the grumbling and negative feelings to subside

The Nativity Story

Join Mary and Joseph on an incredible journey of hope and discovery

The Crippled Lamb

God has a special plan for the little crippled Lamb, Joshua. One cold winter night Joshua was in the right place at the right time to be used by God as history's greatest event unfolded.
