

The Biggest Story by Kevin DeYoung

The bible is a BIG book that tells the BIGGEST story about a GREAT GOD. From the beginning to the end, each page tells about the God who created the world, acted in history and continues to act in the present. DeYoung provides engaging retellings of various Bible stories, explaining how they fit into the overarching storyline. Each reading is coupled with beautiful illustrations and concludes with a reflective prayer. Perfect for bedtime, supper devotions or anytime.

### Northern Canada Evangelical Mission (NCEM)

Derrick & Jean Hiscox began serving with NCEM in 1979 after pioneer missionary service in Brazil. In 1981 they moved to Prince Alberta with their three teenage children to pioneer the Tribal Trails TV ministry.

The most recent issue of "The Northern Lights" mini magazine has a brief tribute to our dear sister Jean, who went to be with the Lord on November 21, and recounts Derrick & Jean's service with the mission.

Please take a few minutes to check it out on the missions' board. And let's not forget to pray for Derrick and his family as he adjusts to life without Jean. Pray also for the ministry of NCEM, that they would be blessed by the Lord as they seek to fulfill the Great Commission of Jesus Christ among, and in partnership with, the Aboriginal Peoples of Canada.
