- Lord, grant us the courage to be truthful with people.
 - Give us the opportunity to share Christ with those around us.

BOOK REVIEW

Case for Faith/ Case for Christ/ Case for a Creator for Kids

by Lee Strobel and Rob Suggs
 (Original adult versions also available!)

The eye-opening best-sellers have been revised for eight- to twelve-year-olds. This is the age when kids begin asking the complicated questions that adults themselves sometimes struggle to answer. These books provide material for kids who want to stand up for their faith in an unbelieving world. Written in humorous, light-hearted prose that is perfect for kids this age. These books analyze the evidence and build compelling cases, using historical facts, scientific research and true stories. The messages are comprehensive and relevant for today's young people.
