Book Review

Leading Little Ones to God

by Marian Schoolland

Written in clear language, this classic Bible storybook gives you short devotions you can share with children to lead them to grow in their faith and understanding of God. Each simple and clear lesson includes a story, a Scripture verse to memorize, a prayer, and a song. Topics such as the nature of God, sin, salvation and prayer are discussed. It's a wonderful way for children to learn about who God is, why Jesus came to Earth, and how we should act today. Recommended for ages 4 to 10.

Fall Women's Bible Study

2 Corinthians – Blessings out of Buffetings

**Tuesdays at 9:30am and 7:00pm
beginning September 19**

Prepare to be encouraged as we study the Apostle Paul's letter to the church he loved in Corinth. Rose will be leading the morning class and Cheryl T the evening session. Please speak to one of us if you're interested in participating to ensure you have the materials needed.

If you are participating, start reading through 2 Corinthians to whet your appetite for the good things God has in store for us as we open His Word together.
