

WOMEN'S BIBLE STUDY

Looking Forward to January

We're planning on studying the life of Joseph from Genesis 37-50, with studies beginning on Tuesday, January 21 at 9:30am and Thursday, January 23 at 7:00pm. This ten-week study was written by women at the Calvary Chapel in Eagle, Pennsylvania, who have provided a printable workbook and teaching videos at no charge. There will be a sign-up sheet available after Christmas. We'd love to have you join in!

"Our exhaustion and despair, our frustrations and disappointments, our endless activism and busyness, our difficulty in finding contentment, our inability to relax might have something to do with our assumptions about the power of God and His pathetic dependence on our little hands and feet."

John Woodhouse
