

Our Most Precious Faith

CREATION (Genesis 1)

We believe that the heavens and the earth were created by the triune God out of nothing in six literal 24-hour days. Therefore, all things that exist had a beginning, except God Himself (Genesis 1:26; Exodus 20:11; Psalm 90:2; Colossians 1:16-17).

Before creation, there was God alone, who has always existed in the Person of the Father, the Son, and the Holy Spirit.

Everything else was created by God, therefore everything, except God, had a beginning and was created in six 24-hour days.

"If it took God billions of years to create the earth, would He not have told us? Why not? Could He not brag and say, 'My creation is so great, it took Me billions of years to create it!' Yet He is really saying, 'I am so great, for look what I did in six days!'"
