MISSION FOCUS

Northern Canada Evangelical Mission Derrick Hiscox – Missionary Emeritus

Northern Canada Evangelical Mission (NCEM) seeks to fulfill the Great Commission of Jesus Christ among, and in partnership with, the Aboriginal Peoples of Canada. Their vision is to by faith establish strong, indigenous, multiplying churches.

Derrick and Jean joined NCEM in 1979, moving on from previous missionary service in the jungles of Brazil. They pioneered NCEM's Tribal Trails television outreach, and faithfully served for several decades while based in Prince Albert, Saskatchewan.

Derrick (Jean passed away in November 2022) faithfully remains committed to the ministry, carrying on as a prayer supporter with a special interest in the Oneida reserve where he and Jean have supported, encouraged and taught for many years.

Let's support Derrick's decades-long investment in these brothers and sisters in Christ, by praying along with him for the building up of their faith. And as we do, let's pray for Derrick as he navigates the health concerns the Lord has allowed him to endure.

"The soul of the most sincere and upright man may be driven to despair by a sight of his own imperfections unless he clings to that righteousness by which sinners are justified through faith in Christ Jesus."

Charles Spurgeon
