MISSION FOCUS

MSC Canada

A significant portion of Elim's mission budget flows to our supported workers through MSC. MSC is unique in the world of missions' organizations in that they send 100% of all donations to the designated individual, trusting the Lord for provision to finance their efficient office in Markham. MSC's byline is "Local-Church Driven Missions."

MSC's byline is "Local-Church Driven Missions" and their philosophy can be explained this way;

GOD CALLS & LEADS WORKERS

The commendation process begins with **God** calling workers to full-time service. He confirms His calling on the worker's life through their **Local Church**.

THE LOCAL CHURCH SENDS

The **Local Church** is the sending agency and provides *ministry-specific direction* and spiritual oversight to the worker. All ministry the workers are engaged in is an extension of the sending local church's ministry and outreach.

MSC SUPPORTS

MSC serves and supports both the sending **Local Church** and the **Worker** with *missions-specific expertise*. We provide the legal & logistical means of serving workers outside Canada.

Recently Chuck and Sam's urgent departure from West African was facilitated by Phil Barnes who oversees Risk Management at MSC. He and his wife Marilyn were on the field in Africa for many years and are now serving with MSC as Worker Care Reps.

We send a monthly gift to MSC to help cover their administrative costs.

PRAYER

- Lord, may the afflictions we face in life drive us to Christ.
- May we understand that God-ordained afflictions give us a greater assurance of our faith.
- Help us to see afflictions as cause us to persevere in the faith, to prove our character, and give us a greater hope.
