Mark and Gretchen Potma

Planting and Growing Churches in the Czech Republic

The Potmas do an incredible job of keeping their supporters informed, sending monthly, interesting updates which are freshly posted on the missions' board. In their latest newsletter, they give us a glimpse into the recent wedding of a young couple from their church family, as well as updates on summer family English camps, Ukrainian kids' day camp, women's breakfasts and Bible studies where they are investing their time and energies.

As they ask for our prayers to go along with our financial support, they sent us this verse from Philemon: "I pray that your partnership with us in the faith may be effective in deepening your understanding of every good thing we share for the sake of Christ." They assure us of their prayers for us, as we partner with them.

"[T]hat if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you will be saved; for with the heart a person believes, leading to righteousness, and with the mouth he confesses, leading to salvation."
