

MISSIONARY FOCUS

Arthur & Dorcas Taylor

Welland Canal Ministries to Sailors and Seaway Workers

As we look back on many years of God's faithfulness to the body of believers at Elim, it is fitting to remember one of our longest-supported missionary couples. Arthur and Dorcas have faithfully visited Arkona to share what the Lord is doing on the Welland Canal for decades.

As reported in their recent letter to our church family, telling us how God continues to work out Philippians 1:6 in their lives, believing the truth that after Christ saves us, He will continue to sanctify us until we die or until our Lord returns. Arthur rarely misses an opportunity to present the Gospel in a relevant way to everyone he speaks to, and he spends his energies seeking out those opportunities.

Their letter thanks the Elim family for our monthly financial support of \$500 as well as an additional gift when Arthur was here in July. They appreciate our continued prayers for the ministry at the canal. The full letter is posted on the missions' board.
